

Hello

April

How is it April?! In the weeks to come, we will be learning about farm life. We will be having fun with music, bugs, and celebrating Easter! We will also be learning the importance of taking care of our planet for Earth Day!

We are going to be celebrating our teachers with **Teacher Appreciation Week** at the end of the month! We are so thankful for all they do and the love they have for your kiddos. Have a great month.

MOANA HAWAIIAN PUNCH

Ingredients

- 2 oz Coconut Water
- 4 oz fruit punch
- 4 oz Mango Juice
- 2 Tablespoons Simple Syrup (optional)
- 3 Tablespoons Teal Sanding Sugar (optional garnish)
- Ice

Steps to Make It

1. Pour simple syrup on one plate and on the other plate pour the teal sanding sugar.
2. Dip your glass in the simple syrup first then into the sanding sugar. Set to the side and allow to dry as you prepare your fruit punch.

In a cocktail shaker combine coconut water, fruit punch, and mango juice and shake vigorously for about 5 full seconds. Pour shaken punch over a glass full of ice.

How to Make a Pitcher

To make a party-sized pitcher of our Moana fruit punch, simply double or triple the above recipe (depending on the size of the container you're using):

- 1 cup Coconut Water
- 2 cups fruit punch
- 2 cups Mango Juice
- 2 Tablespoons Simple Syrup (optional – to help stick the sanding sugar to the glass)
- 5 Tablespoons Teal Sanding Sugar (optional garnish)
- Ice
