We are all excited to welcome Spring as we begin the month of March! This cold has just been too much! There's nothing like being outside enjoying the beautiful sunny days. The children enjoyed a busy month celebrating Valentine's Day and those we love. We also learned about the importance of Dental Health. As we move into the month of March, we will celebrate Dr. Seuss's Birthday with a spirit week. Lots of fun dress up days that week. We will also have some fun themes like construction, color your world, and farm fun. We will celebrate St. Patrick's Day March 17 by wearing green. It looks like it will be another busy but exciting month!

*Please let us know your plans for the summer and fall as we are getting many inquiries about availability.

*Pre-K Parents: If you have not done so already, please let us know if your child will need before and after school for the fall 2025 school year.

Important Information

• We realize that even if local school districts close, you still need to get to work. We will do our best to keep Garden Patch open, while also maintaining the safety of our staff and children. If we do close, it will be announced in the following places:

*Garden Patch Facebook Page

*Local News Stations

*Procare

A promotional graphic for Loving Garden Patch. The background is a dark teal color with white text and icons. At the top, it says "LOVING GARDEN PATCH" in white capital letters. Below that, it says "Leave us a review" in white. Underneath, there is a white rounded rectangle containing a five-star rating (★★★★★) and two QR codes. The left QR code is labeled "Yelp Review" and the right one is labeled "Google Review". At the bottom of the graphic, it says "Thank you for being part of our Garden Patch family." in white. There are also small white plus signs in the corners of the graphic.

Rainbow Kids Snack

Ingredients

1. graham crackers
2. blue frosting
3. Marshmallows
4. rainbow airhead

In order for the rainbow airhead to stand up, it helps to have a thicker layer of frosting, and put the marshmallow clouds down first to “book end” the rainbow and hold it in place. Trim down the rainbow just a touch so it isn’t too long.
